Sir:

This paper is filed in response to the Office Action dated April 24, 2003 issued in the above-identified U.S. patent application. Kindly amend the application in accordance with the following particulars:

IN THE SPECIFICATION

Kindly replace paragraph 53 on page 11 with the following new paragraph:

A
[053] In certain other preferred variations, the pieces additionally include a conventional presweetening topical coating. Well known compositions and presweetener coating application techniques can be employed both for sugar coating or when various high potency sweeteners, e.g., aspartame, sucralose, or potassium acetylulfame are used. In
